 - **Middle level** officials of **Federal** Level
 - **Middle level** officials of **State** Level
 - **High level** officials of **Municipalities** Level

Framework Conditions

Duration of the Seminar

- Four Meetings of 2 days
- Organization:
 - 2 days Seminars
 - Groups and individual tasks and exercises in between seminars
- Total class: 60 Hours

Aim

- Build capacities of public servants to work in a multi-stakeholder perspective towards Agenda 2030 implementation

Objectives

- Build understanding to correlate local development priorities with Agenda 2030
- Build capacity to engage stake-holders to effectively achieve Agenda 2030
- Apply the design of structures, and monitoring and evaluation of actions towards achieving Agenda 2030
- Value success stories of the target audience through the training programme by cross-pollinating good practices on Agenda 2030

Content and Syllabus of the Seminar

Meeting 1 – day 1 and 2

- Icebreaker: Participants identify their priorities/ development challenges and use that to introduce SDG/Agenda 2030 framework
- Implications for public authorities
- importance of stakeholders in SDG delivery
- Stakeholder identification, prioritization and engagement process

Practical work: In their work área, identify relevant SDGs and stakeholders, and develop plans for engaging them.

Content and Syllabus of the Seminar Meeting 2 – day 3 and 4

- Prioritizing SDGs and target in their work area
- Monitoring and evaluation of framework for KPI
- Practical work: Embed relevant SDGs in their work areas; develop structures and models for monitoring and evaluation.

Content and Syllabus of the Seminar Meeting 3 – day 5 and 6

- Engage stakeholders in delivery
- Monitoring and Evaluation of identified and prioritized SDGs/targets
- Resource identification and mobilization

Practicalwork: Make demonstrable progress in engaging stakeholders in resource mobilization and delivery on SDGs/target activities.

Content and Syllabus of the Seminar
