Working Groups on “Designing a capacity building format for public officials on domestic SDG implementation”

Introduction

General Facilitation Team:

Tatjana Reiber  Pedro Alves  Andrea Zimmermann
Working groups goal

Designing capacity building formats for public officials on domestic SDG implementation.
How are we going to work?
Working Groups Schedule

**Wednesday, 28 February**

**Working session No. 1** - 11.00 am - 12.30 pm
Groups start working – focus would be on framework conditions, overall aim of the seminar and learning objectives

**Working session No. 2** - 2.00 – 3.30 pm
Groups continue working and discuss the content they want to focus on => syllabus

**Thursday, 1 March**

**Working Session No 3** - 9.00 am – 12.30 pm
Groups continue working and the focus is on methods/ formats/ experts/ follow up

**Presentation of results and feedback** - 2.00 – 3.30 pm
Themes → 6 groups

1. The role of local governments for SDG implementation
2. How to organize multi-stakeholder partnerships for SDG implementation.
4. Indivisibility of the Agenda 2030: How to implement SDGs in an integrated manner.
5. Introductory course to Agenda 2030 for public administration.
6. Proposal for the workshop series on "SDGs Learning, Training and Practice" from UNDESA and UNITAR - side event to the next HLPF meeting in New York (9 – 13 July 2018)
Breaking up into groups

Six groups: not less than 5 people and not more than 10 people.
Has everyone chosen a group?

1. The role of local governments for SDG implementation

2. How to organize multi-stakeholder partnerships for SDG implementation.

4. Indivisibility of the Agenda 2030: How to implement SDGs in an integrated manner.

5. Introductory course to Agenda 2030 for public administration.

6. Proposal for the workshop series on "SDGs Learning, Training and Practice" from UNDESA and UNITAR - side event to the next HLPF meeting in New York (9 – 13 July 2018)
Now please:

- Find your group.
- Introduce yourselves.
- Organize the roles of the group:
  
  - Facilitator
  - Note keeper
  - Time keeper
  - Visualizer
Thank you!

Good evening!
